

Inclusive Education Hub for Africa

A regional community connecting African knowledge, people and solutions for disability - inclusive education

Invitation to Join the IE Hub for Africa

Dear [Name/Organisation],

We are pleased to invite you to join the Inclusive Education Hub for Africa (IE Hub for Africa), a growing regional community bringing together organisations, institutions and professionals committed to advancing inclusive, equitable and accessible education across Africa. The IE Hub for Africa is designed as a practical space for connection, knowledge exchange and collaboration. It brings together African experience, expertise, evidence and solutions and creates opportunities for members to learn from one another, share their work, build partnerships and contribute to shaping inclusive education practice and policy.

Why join?

- Connect with organisations, practitioners, researchers, experts and innovators across Africa.
- Showcase your organisation, programmes, projects, research, resources and innovations.
- Access resources, learning opportunities and Communities of Practice.
- Discover potential partners and opportunities for collaboration.
- Share your experience, evidence and practical solutions with the wider community.
- Contribute to discussions and learning that can influence inclusive education practice and policy.

Who can join?

The Hub welcomes NGOs and CSOs, government and education authorities, organisations of persons with disabilities, schools and universities, teacher training institutions, researchers and academics, teachers and education professionals, EdTech and assistive technology innovators, development partners and foundations, students and emerging professionals, and other advocates and champions of inclusive education.

You do not need to be a specialist disability organization to join. Inclusive education encompasses the removal of barriers related to disability, gender, poverty, displacement, language, location and other forms of exclusion.

How to join

To join the IE Hub for Africa, please complete the Membership Application and Web Profile Form and provide the requested information, including relevant project links and, where possible, your logo and photographs. Once your membership is confirmed, we will work with you to establish your profile and welcome you into the community.

We would be delighted to have you as part of the IE Hub for Africa.

Connect. Learn. Share. Collaborate. Influence.
